“ Q: How did you meet Alissia?
A: I met her through her brother Ronnie, who is my daughter MacKenna's very good friend. I had only met her 2 or 3 times but she was so easy to talk too. We all ended up talking the last time I saw her, for about 30 minutes. Which was just about 4 months ago. She was so friendly, outgoing, had a great personality, wasn't fake about things and was a very pretty young girl. This hurts my soul for the entire family. She had an entire life here. I pray she is watching over all of you that she loved so much. This family has been there for my daughter when her father passed. I can't imagine this pain. You all are in my prayers always. All my love,
Rachel Szymanski (MacKenna's Mom)
