

Alyssa Ann Brown

November 15, 1984 - August 18, 2018

On her own terms, Alyssa (Johnson) Brown departed from the battlefield against cancer yesterday, 8-18-18, at 0925. She passed very quickly in her sleep, with her family at her side. Aly fought valiantly, setting her terms in the fight, and successfully showed the world that cancer's first success against a victim is fear. She denied her adversary that victory, and her success there carried her far beyond what was expected to be a short fight. She is survived by her incredible family and friends, who now have the duty of carrying her forward in their hearts and on their lips. No one should ever be afraid to speak her name and tell her story to the world. She wanted everyone to see that while cancer may be merciless, you can still make your terms against it. Her friends, family, and colleagues will be celebrating her life on August 24, 2018, 2PM, at 603 Queenstown Road, Severn, MD 21144. Food and drinks are welcome, as this celebration is expected to continue into the evening. In lieu of flowers, the family respectfully requests that you continue her causes by donating to TROTSAR and the Chesapeake Christian Fellowship. TrotSAR Mounted Search Team c/o McGuinness 1218 Dorsey Spring Place Germantown, Md 20876 Chesapeake Christian Fellowship 377 W Central Avenue Davidsonville, MD 21035

“ To Ali's Family and the Staff of Gentle Touch Grooming....I will miss Aly and how she loved my dog Rover. Her quiet gentleness and power was evident in her business and in the way she worked. Thank you Aly for the love you spread here on earth. It made a significant difference. Theresa Keeler

“ We came to know Ali a little through her wonderful care for our dogs. It was obvious that she cared for her business and the little spirits that she worked with. We miss you, Ali. God bless you. Peace to you eternally.
