JA

“ *Love you big brother! You will be missed dearly! Rip*

Janna - August 14, 2016 at 03:12 PM

JW

“ *Ben you were always the crazy one when out with my brother. I know your now at peace and at ease. Your not hurting no more. Look over your family ben. I'm sure when you seen nanny, she had a lot to tell you while yelling at you. Your life was just beginning. Fly high and watch over your family and make sure they're OK!!!! Gone to soon but definitely not forgotten!!!!*
