“ *Dear Joanne and family, Though I never met Luis I feel like I did and I know what a wonderful brother he was to you and your siblings and also to Brendan and Michael (nephews). From our many conversations I know that Luis was kind, caring and took care of others. He was a peaceful man and lived his life as God would want us all to. You should always cherish the example that your brother set and the wonderful memories. I know that you will see your sweet and wonderful brother again! God bless you all. Marilyn and family*
