“ My love and support goes to out to Ms. Angies family. I am so fortunate to be best friends with her daughter Lindsey, and have for the last near 20 years. I appreciate that Ms. Angie never made me feel less than for being a gay man and she welcomed me throughout the years. I wish only positivity from the universe to Lindsey and her family, and I hope Ms. Angie is able to watch over them. I know one things for sure, heaven better not have a shortage of peanut butter ice cream.
