“ *The best Mom in the world. Thank you for the great memories camping, special 'tea time' chats, giving me life and saving my life, teaching me to respect and help others, laughing with me, showing me no mercy at Scrabble as a kid thus making me a boss at the game...lol. I know you are happy in heaven riding around in your white caddy with hot sauce in the glove box. :D I love you so very much. I have truly been blessed to have you guide me in life. --Your Precious Black Pearl*
