“ I don't even know where to begin to thank everyone that donated and shared moms GoFundMe. I just want thank everyone from the bottom of my heart. My heart is broken but also warm at the same time 😞 today was that hardest day of my life and I had to walk away from the funeral home and leave mom 😞😞😞 But I know that she is peaceful, happy, and not in anymore pain 😞 I wish she didn't have to go so soon but like mom says when god is ready to take you there's nothing you can do about it. Now is the time our family really needs to come together and talk more and be with each other more cause mom would want it that way and we never know when it's our time. Felicia I just want to say that I love you so much ❤️ and I will always be there. I will always be there no matter what. I want to let you know what lil' Jermaine asked me today at the funeral home. 😞 He said Aunt Heather can you promise me something and I said yes baby, she said will you promise me that you and mom will talk more cause that's what grandma would want. 😞😞😞😞 To Jermaine I know we bumped heads sometimes but you have and always will be my brother! I love you so much ❤️ lil' Jermaine, Syncier, and James you boys have grown up so much and I have missed a lot of time with you but this is where we change that! You boys need to be there for your sisters and each other. I love all of you with all my heart and soul forever and ever till the day I die ❤️ Jermiya and Summer omg I can't believe how fast you girls grew up. You girls are absolutely beautiful. Aunt Heather needs to start seeing you guys more. Jermiya you have taught Summer so much and your both are so smart! I love you both with all my heart and soul forever and ever till the day I die ❤️ Now mom 😞 I will watch over our family now so you can rest. We have this down here. I am numb and heartbroken at the same time. I haven't been able to mourn yet cause I have to be the strong one for the family and make sure everything was ready for you. I am going to miss your thousand calls a day back to back lol I was give anything to have that again 😞 i know we bumped heads a lot but regardless the end of the day you are still my mother and I'm still your daughter and the love and bond was always there. I am going to miss you so much but I know you aren't in anymore pain 😞😞😞😞 I love you mom

with all my heart and soul forever and ever till the day I die❤️ you are at piece now that's all I want, I don't want you in pain, and hurting, and suffering. I bet all of our family cussed your ass out when you got up there lol but then was happy. This isn't goodbye mom this is see you later 😭 just watch of the grandkids. We all are going to miss you terribly. Shorty I know we going through our shit but I know at the end of the day you are always here 😭 I don't know how I would of been able to get through these last couple of hard days. You're my best friend ❤️ and I love you so much. Will I want to thank you from that bottom of my heart for everything you do! You are my brother from another mother! I love you bro! Mom loved your ass too lmao. Y'all bumped heads a lot but at the end of the day you both loved each other. I don't even know to begin to ever thank you so much for being here ❤️ now that mom is laid to rest I can finally begin to mourn 😭😭😭😭😭 I love everyone of you guys with all my heart and soul forever and ever and till the day I die. ❤️❤️❤️❤️❤️❤️❤️❤️❤
