DS

“ Remember when we went to Paris and you did that back flip off the swing? you scared the crap out of me. Then you and the kids tried to catch fish. I love those memories. I wish you were still here to make more. I love and miss you Ant.

Della Stiles - September 25, 2019 at 08:13 PM

AD

“ Ant I love and miss you so much! I wish I could have been with you and maybe things would be different. Rest in peace baby boy
