“ *The early years of our youth was full of fun, good times and good memories. The cousins would gather at Buttermilk Bottom for games, laughs and great BBQ. Tony cared about family. He took great care and was great company for our grandmother. He cut her grass, took her shopping and to the doctors. Tony loved grandma. He helped my dad build a huge shed. He helped my family when we returned from overseas. Time and distance changed things but I will always remember his good heart and care for family.*
