“ To the best Daddo ever, \r\n How I wish that we could have had more stories and memories to create together in this life with you. The story I will always proclaim is of how lucky I am to have known the most amazing beautiful human being on earth. How I am so lucky to have been your daughter and friend and how appreciative I am to you for building such a loving home and life for mama, me, and aj. You always gave us all of your love, support, wisdom, and soul. You are and will continue to be our sunshine and our admiration. Thank you for loving us so much daddy! We miss you silly rabbit! \r\n Besos Pickys
