“ I don't know how to express my feelings at this time. I knew her birthday was July 18 and I hoped to connect with her. Now to know I can only pray for her peace in heaven is really not solace, but acceptance I can not see her in person. She was a great friend and co-worker at Hecht's, and roommate for a couple of years. To know that she has passed on is heartbreaking . I had hoped to get in contact with Artie.

Hi Amanda, I don't know if you will read this. I am your mom's first roommate at Hamilton Manor Apts. My sister also lived in the complex. We had a lot of fun and helped each other out. I knew your father briefly, before I moved out. Your mother was a wonderful person. I didn't understand all she believed in, but I enjoyed being her friend. Yes, I had met your father James Smallwood., again I didn't understand everything Artie did. When learning she died of breathing problems, it reminded me of a bouts of pneumonia she had and one of bronchitis. Maybe her lungs had not gotten better. My heart does wish you peace to resolve her passing. God bless.
