“ So many beautiful memories with my mom, especially around the holidays. She would have the best decorations and most delicious dinners

*Then we would sometimes drink white Russians together.*

*I could talk to my mom about anything & she never judged me*

*She always said I love you & how she is so proud of the strong independent woman I've become*

*I love you, mom more than you will ever know*

*This is not goodbye*

*Only See you later* ☐ 🌸

“ So many great memories, especially for the holidays she had the best decorations & delicious dinners  
Then our holiday drink White Russians together.  
My mom always made sure to not only say that she loves me & proud of the strong independent woman I've become but showed it  
When I felt there was no one else there for me at times she was with no judgement  
I now know my mom is resting with her dad, mom, my dad, nieces, nephew & friends  
I love you beyond words mom  
This isn't good bye  
Only see you later ☐ 🌸
