She attended Catholic schools in Baltimore and then went on to get her GED in 1998. Barbara had several different types of jobs over the years but her true love was childcare. Barbara had a big personality and a great sense of humor and made friends wherever she went. She will be greatly missed by all who knew her.

“ Ms. Barb was truly such a phenomenal woman and I am grateful to have known her! We worked together at Childtime for many years and she actually watched my oldest son as an infant/toddler after she left Childtime. Mason loved Ms. Barb and I always knew how truly loved and safe he was in her care. I’m so grateful for the years of friendship we had and the many, many laughs! You will be so very missed ❤️
