LM

“ *The world lost a good hearted person. Ive known ben for many many years and he was always the same. He has a great big heart and thought of others before himself. Ill never forget him or the impact he had on my friends life. I honestly believe they was soul mates with the world fighting against them. Now you can rest ben,no more pain,no more suffering. I love you my friend and ill never forget you Goofy 🥺*

“ *You were and are the love of my life. You always have been. I miss you dearly our conversation and all the times we spent together. How do we do this without you. I still need you. But i will be there soon enough. Don't give up on me Ill be there when my chores are through here. Ill always love you. To the family I am truly sorry for your loss the world lost a great soul.*
