

## Bette Kay Andrakakos

March 26, 1957 - November 23, 2019

Our lives are not measured by our jobs or our material possessions, but by how we live. Getting up every day and pushing forward, no matter the struggles we're facing. Living a life of hope, despite the inevitable pain and uncertainty. Encouraging others by actively living our own lives, rather than being passive observers. Reaching out to help others as much as we are able, with empathy and the warmth of a smile. Bette freely gave of herself to anyone who needed compassion, encouragement, and that wonderful smile. Bette, you will be missed here on earth, but you will live on in our hearts forever. This is not "goodbye", it is "until we meet again". After the first of the year, there will be a Memorial Service in Bette's honor to be held at the Montgomery Country Club, 20908 Golf View Drive, Laytonsville, MD 20882, . Please check back for further details.

“ I'm sad that Bette Kay left this world too soon, but it truly helps to know her struggles and pain on this earth are over. \r\r Bette Kay holds a truly special place in my heart. She was loving and kind to her nerdy cousin from Texas, and she put up with a lot of teasing, practical jokes and harassment (all delivered with love) from the family.\r\r I loved her laugh, and I couldn't help but laugh with her. Her smile was radiant. She was fun to be around. I could go on, but to sum it up, I loved Bette Kay a lot.\r\r I know we will meet again, and I look forward to seeing her whole, healed and happy in the next life, with no hint of the troubles she endured on this earth. That Bette Kay, I'm sure, is an even bigger hit in heaven than she was on earth!\r\r God bless you and keep you, Bette Kay. Thanks for all the laughter we shared and the kindness you always showed me. I love you.
