“ Dear Cindy, My memories of your Mom ( and Dad) are so numerous and so cherished. All the days and weekends spent at your parents home in our late teens and 20’s were really special to me. I appreciated the opportunity to spend time with her during the last months of her life. She may not have remembered who I was all the time but occasionally I could tell that she absolutely did. She was sweet lady with a wonderful sense of humor and a warm and welcoming smile. She certainly made me feel loved “when I was a young adult”. I will remember those times with so much fondness.

“ Dear Cindy, I don't have enough room to list all the GREAT memories I have of your mom and dad with my parents! Two wonderful couples that enjoyed their younger lives together. Watching them dance, laugh, eat crabs, \"whiskey sours\" and more. My prayers will be with you in the coming weeks and months for the break in your heart to begin to heal and lasting memories bring you comfort. Fondly, Cheryl Welch Hancock

“ My sincere condolences to Cindy and the rest of the family. I was fortunate to have spent time with Betty in the past few months. Definitely a classy and charming lady. She always asked how I was and if I wanted anything to drink. We spent time watching classic country music. She usually knew their names and sometimes hummed along. Sending hugs and my deepest sympathy.
