“ *Bev was my mother in law for 25 years till Sherri passed. When I was 17 she helped me buy my first car. Then while I was in bootcamp she tried to move it. It was a very powerful 1969 Mustang. Todd said she almost hit the house. LOL Good Memory*

“ - [x] I have so many wonderful memories of Bev, we shared so much together. I remember very vividly one of our trips to Deep Creek Lake and what fun we had. I laughed harder than I ever had that day, and Bev was laughing so hard she was crying. We could hardly stop laughing to breathe. Such a great day, full of love and laughter. I will never forget that day. Bev was always more like a sister to me than a sister-in-law, and always a great friend. Going all the way back to my teens, every dance or prom that I had in school, she would fix my hair and help me with my makeup. She was there for me no matter what I was going through. She was a perfect fit into our family, and just a pure blessing in my life, and I will love and hold Bev in my heart forever. ❤️ - [ ]

“ As far back as I can remember, Bev has always been part of my family memories. Her and Todd were together since I was just a toddler. Especially fond memories include all the thanksgiving gatherings at her and Todds house, and the family visits every other Wednesday. She was always loving and wonderful to me and she will be missed.

“ Bev was a wonderful sister in law and wife to my brother. And I'll never forget how caring and giving she was to my (and Todd's of course) Momma during her health struggles and final years.
