

Bonnie Jean Everhart

February 20, 1935 - February 4, 2026

Bonnie Jean Everhart (née Ward), age 90, passed away peacefully on February 4, 2026. She was preceded in death by her beloved husband, Lysle Rogers Everhart Jr., with whom she shared 35 loving years of marriage and a lifetime of memories.

Bonnie was the heart of her family — a devoted mother, grandmother, and great-grandmother whose greatest happiness came from caring for the people she loved. She is survived by her children, Lysle Everhart III; Kimberly Zwobot (Craig); and Jennifer Wasmus (Roy).

She was a proud and loving grandmother to Zachary Kelly (deceased), Brandon Kelly (Grace), Nicholas Zwobot (Eva), Monte Jones, Emily Zwobot, and Seth Wasmus, and a cherished great-grandmother to Emelia Zwobot. Each of them brought light and laughter into her life, and she spoke of them often with pride. Her family was truly her greatest joy and accomplishment.

Bonnie answered a calling to care for others early in life. She graduated from Sacred Heart Hospital School of Nursing in 1956, embracing nursing as her life's vocation. She worked at several hospitals while balancing her work with motherhood and spent her last twenty-years with the Arundel Medical Group in Glen Burnie. Her compassion, dedication, and gentle strength were evident not only in her professional work but in the way she cared for family, friends,

and anyone in need throughout her life.

Bonnie treasured simple, happy moments — time spent gathered around family, playing bingo, listening to her favorite music, or getting lost in a good book. She had a gentle spirit, a warm smile, and a kindness that made everyone feel welcome and cared for.

She will be deeply missed, lovingly remembered, and forever carried in the hearts of those who knew her. The love she gave so freely will continue to live on through her family and the many memories they shared.
