“ Bonny I am sorry. You were the gentlest, most graceful soul I knew. Thank you for being a part of my life. To your family, please know that you are in my thoughts and prayers. I know that your body is restored and you are dancing on streets of gold. I love you Bonny Jean Dibble. The conversation we had in June gave me courage and strength when I needed it, you were in pain, but there for me and I will forever be grateful

“ Bonny - you were a gentle soul and I hope your family can gain comfort in thinking of all you did in life & the many souls you touched. You always greeted us with a huge smile whenever we ran into you - regardless of what happened everyday and the physical pain your body often caused you to endure,. I really admired that about you. That smile and sweet voice is the Bonny I hope everyone will find the strength to think about now. As we pray you have the peace you deserve, our thoughts and prayers are also with all of your family now . - Iris (Gottlieb) Slattery and Paul Slattery
