“ I was so very sorry to learn of Brenda's passing. I have been traveling a great deal and had been meaning to call so dropped by the Farmers' Market and learned the sad news. Brenda was such a wonderfully fun person. We swapped recipes and jokes and enjoyed hanging together at the Governor's Eat Local garden events each year. She taught me so much about plants and herbal remedies like her bug spray and how to make her fabulous lavender cookies. My family and friends will miss her French and Italian herb jars at Christmas as they were greatly anticipated. She was an amazingly talented and joyful person and I will miss her enormously. -Susan Langley
