“ I'm so incredibly sorry for your loss. Brenda was such a sweet and caring person. She was also a wonderful neighbor. I will miss her smile and laugh. I remember the day she moved in to the unit upstairs. We had our door unlocked and she accidentally opened our door thinking it was her's! LOL. She was so silly like that. I'm sad she's gone and will miss her terribly. May her memory continue to be a blessing.
