“ *Brian*

I will miss you, we did not see eye to eye on alot of things, but you were still my brother. Gone to soon, I'm still in a daze trying to wrap my head around it all, but the biggest thing is, you are no longer tormented by the sickness that consumed your life. My heart is shattered by it all, there is a piece of me missing with you gone. I have Patty and Rob but not YOU. Until we meet again, give mom and dad a kiss for me. Love you Sis
