“ Bruce was just a amazing, loving, caring one of a kind special man. He was my father, best friend, and very, very much loved by his whole family. He left behind me, my mom, his other half, a sister, a brother, and a nephew that he loved very much and who loved him unconditionally. He may be gone but never ever forgotten.

Well. Next month will be a whole year already that you were so unexpectedly taken away from all of us. As your remains sit next to my bed on the dresser I talk to you all the time as if you were really here alive. My biggest regret is not being able to say goodbye to you. Not coming to visit before this even happened. I'm sorry. There's a really big empty never ever gonna be completely complete, your the missing piece and we need you here. There will never ever be a day again in the rest of my whole life that I will not think about you, talk about you, and never not not remember you.
