

Bryant Scott Evans

March 10, 1970 - March 2, 2020

Bryant Scott Evans, born March 10, 1970, passed away March 2, 2020.

Bryant was a bright, magnetic man, and a helpful soul. He was a jack-of-all-trades with many talents; he could fix cars, put on a roof, and he was an excellent painter, just to name a few. After many years of struggling with addiction he was very optimistic about the fresh start he was embarking upon. He was happily living at Oxford House in Anne Arundel County after completing a 30 day program with Hope House. With four and a half months clean and just a month at Oxford House he became president, an accomplishment he was extremely proud of. He absolutely loved his time at Oxford House and had become as close as family to his housemates. He had said that he never wanted to leave and was eagerly anticipating a new part-time job he was to scheduled start just the day after he passed away.

Bryant had taken the recent loss of his father especially hard, but he valued the progress he had made. He was proud of his key chains and the revived relationship with his daughter and son that gave him the opportunity to meet his grandchildren. Addiction doesn't discriminate. Don't wait until tomorrow, start the fight today.

He survived by his son, Bryant Jr.; his daughter, Tessa Ray Evans;

grandchildren, Easton and Presley; sister, Sonia Evans; nephew, Mason Evans; niece, Darien Fouts; his stepbrother, Clyde Edmisten; his child's mother, Lisa Vogel; his cousins, Karen and Mike Washburn, Crystal, Heather, and Michael Turk; their children, Michael, Justin, Kay Lynn, Zoey, Steve Jr., and Bryson; his Aunt Lois and Gary Makarovich; Uncle Bud and Dottie Conway; and Uncle Butch and Sherry Conway.

Rest in peace, Bryant. You will be missed.

“ *Our friendship takes us back many years, to a family who accepted me, and treated me as one of their own. My heart hurts for everyone, including myself in the loss of Bryant. He could always make me laugh. I will always love you. Peace and Rest.*
