“ You will be missed. We have so many great memories of you throughout the 24 years you were in our lives. My mom(Joyce) your companion of 24 years will carry you with her in her heart always. You were a good man and taught me and the kids so much throughout our time with you. I hope you are not in pain and at peace. I will do my best to take care of my mom since you cannot anymore. She loved you dearly and to see her lose you hurts more than anything because I can't take her pain from her. I know you are with us in spirit but life won't ever be the same. 💔😞 We love you
