“ Carlton was a good husband, father, grandfather and had many friends. Joan and Carlton loved doing family vacations and having fun with the kids. He adored his wife Joan. We would go to the VFW for dances. He was kind of quiet guy. Carlton had a big heart. He will be deeply missed by many people.

“ Carlton was the sweetest man I have ever met. He would come to the pool league every week with a smile on his face and he was the most dependable team mate we had. He is truly missed by all of us. If and when pool starts again I am going to only play 7 team members and keep his spot open. He will be watching over you Joan and your kids and grandkids. This really hit us hard. I truly miss him. We are here if you need anything.
