“*Baish Arnoult Family,\r\n\r\nI am extending my love and prayers to you on the passing of your beloved, Carol. I truly admired Carol's grace, beauty, and intelligence. We had wonderful conversations and shared poems and fellowship about the providence of God's Word and his will in our lives.\r\n\r\nShe expressed her love of family and how we angst to know what comes next.\r\n\r\nWhat God does in providence we can only guess, but with comfort we know somehow we are truly blessed.\r\n\r\nTo Carol's family, "The best you is the blest you!" for having such a beautiful lady in your lives!\r\n\r\nTaylor Family\r\n*
