“ *What a wonderful woman! It was a pleasure watching Lou and Carol experience sheer joy in being together, dancing, laughing, and having a good time at our Holiday parties. You couldn't help but smile at the harmony between these two hearts and feel a bit of the joy they were experiencing in each others company. Carol, you will be missed.*

“ *I will always remember the Vector Holiday parties where you would find Carol and Lou on the floor dancing the night away, enjoying every moment. God Bless the Schenker family.*

“ I will cherish all of Carol's visits to Florida - The time she bought a tent to use on Pine Island, the time that she and her mother ran out of gas on Route #95, when she spent the night and when she stopped for a visit and a meal. Carol brought Carrie to my 50th jubilee. I ask God's blessing on Carol and her family. Sister Gracia (aunt Mildred)
