

## Carol Ann Shores

October 6, 1951 - April 19, 2023

On April 19th, 2023, Carol A. Shores passed away at home after battling on and off with illness, Carol was 71 years old.

She was preceded in death by her loving parents. She was a sister, aunt, cousin and friend to many and is survived by her loving family and friends, and she will be dearly missed.

Carol was born in Baltimore and lived her life in Maryland, although she would have made many friends no matter where life took her. Her positive attitude and graceful presence would shine a light on any room she entered. With so much love in her heart, anyone who was fortunate enough to know Carol was sure to feel very special.

She was a long-time member of the Riviera Beach Volunteer Fire Company and served as the president of the ladies auxiliary in 1990-1991. In recent years she volunteered at Sunset Elementary School in Pasadena and loved greeting everyone each morning, especially the children.

Special thanks go to Hospice of the Chesapeake for their wonderful care and support which made Carol comfortable and gave much needed support to the family. Also thank you to the many family, friends, coworkers and neighbors who called, sent cards and visited to bring her comfort.

The family will be hosting a celebration of life on Saturday May 6, 2023 from 12:00-3:00pm at the Riviera Beach Volunteer Fire Company hall located at 8506 Fort Smallwood Rd, Pasadena MD 21122. The hall is wheelchair accessible and has an elevator. Carols favorite color was blue, she decorated many things in blue and wore it a lot. As such please feel free to honor her by wearing or bringing something blue.

“ I worked with Ms Carol for a number of years and will always remember her kindness. She would always ask how us girls, (that is what she called us, me and two of my friends, that also worked at the company) were doing, she offered us advice, and provided positivity. She looked out for us. When I had my first daughter she was so kind and again offered support, and words of encouragement. She made me laugh. I haven't spoken to her in sometime but imagine if I had —the conversation would have picked up just as it always had, and that's why Ms Carol was always so great. I am sorry for your loss. She will be missed.

“ I will always remember aunt Carol as the sweet lady who lived over at my dad's house, helping take care of my sister's when my dad and stepmom had to be at work, having holiday dinners together, going on family vacations with us to many wonderful places, and being there on my off days just chatting about any and everything! Aunt Carol was very special to our family and we were so blessed to have such an angel in our presence. I was her \"Shmurd' (couldn't tell you what that means, but it was her nickname for me) she was our Auntie and we wouldn't have it any other way! I love you aunt Carol and I know you are at peace now dancing up there 😊
