“ *To all of Cathy's loved ones, I'm so sorry to hear of her passing, she was a fighter. I couldn't believe how she was going through her treatments & still kept her business going like she wasn't sick. Inspiring her attitude thru it all. She will be missed.*

“ Aunt Cat , I will miss you dearly. You came in my life when I was 12 years old when your daughter and I became friends. I will always take with me the many memories, laughs we shared. I will never forget the time your daughter Melissa and you were living in Columbia. You were at work and your daughter and me were at the house and she decided to put DAWN dish detergent in wash machine , we left the room for awhile came back and there was soap suds everywhere. Mel and me were flipping out saying Mom is going be upset . You came home Aunt Cat while we were cleaning up. You did the complete opposite. You laugh at us and said I will never forget what you said. I named my daughter Melissa \"Dawn\" for a reason. Good times. RIP Aunt Cat. Fly high beautiful soul. Look down on us always!❤️

“ My mom, my rock, my best friend! She was the absolute strongest woman I've ever known. She fought so hard with all her health complications for her family. There isn't a word that describes how much she will be missed by myself and her grand children! The amount of love that i have for her is unmeasurable! I am at peace knowing she is no longer suffering, however this new chapter without her is going to be the hardest!
