She fed me, she let me hang at her house as long as I wanted- and she was always such a sweet mom figure to me growing up, even when I didn't get that from my own mom. “ I’ll always remember that when my mom would take me to work with her when I was flying out & Ms. Cathy would always see me in the break room & ask “oh god, where you going now, trouble?” She would always treat me like family. She was a great friend to my mother & she will always be cherished & missed. So sorry for your family’s loss. You all are in mine & my family’s thoughts.
