“ Cecil, you're the only grandfather I truly had. Nobody paid attention to the small things like you did. Every since I was a little girl, I've been your puh puddn! Growing up, you would always go to the store and get you and grandma y'all stuff. One thing you wouldn't forget was to get me a Kit Kat! The way you cared for me as a granddaughter is unmatched, I couldn't have asked for a better grandfather. I love you so much, my heart stopped when I got the call. One thing for sure, two things for certain. Boneyman and his honey are together again ❤️ I love you

“ You came into my life over 40 years ago. Our relationship has not always been peachy, but we learned to love one another. to the mood and beyond. You gave me my first bike and taught me how to ride. The day you left here, you were not alone. According to Kortni, there was a witness... God was with you when you took your last breath. Rest in the arms of your Heavenly Father and kiss my mother for me. You will truly be missed! Love you! 🥺🥺 “God is our refuge and strength, an ever-present help in trouble. Psalm 46:1

One morning I woke up and I had a 4 o'clock bush in my front yard. I love you and I will truly miss you. Love always Nicole 🥰
