“ I'm sorry to hear about Celeste's passing. We were friends when we first started elementary school, I had a crush on her but like most things life went on and we drifted apart. She was a great friend.

“ My heartfelt condolences on the passing of my dear sister in-law, Celeste. For the past 22 years, I had the honor and joy of having her as a part of my family. Celeste was a sweet, loving soul whose warmth touched everyone around her. The memories we shared are treasures I will hold close to my heart forever. I find comfort in knowing she's reunited with her mom and brother Mike in heaven. Until we meet again, may you rest in peace, love you always.
