“ Stewart you will be truly missed. I appreciate you keeping my father company. Now you guys are together again to tell your stories to one another. Thank you for the memory of a great person. You would give the shirt off your back to help people out. Will always remember the things you would mix together to make a meal and share it. Most of it was good. Lol. I know your in a better place now and can rest now. You will missed deeply. Till we meet again Kathy C
