“ Bud lived life to the fullest! He was always fun to be around and very kind to everyone he knew. He'd greet me with a warm smile. He made us all laugh out loud. He will be missed in a big way.

“ Bud was one of a kind. He was my sounding board whenever I had a problem or was there to share a laugh. He was interested on, "how I was doing" and asked about my family. We enjoyed playing casino games together whenever we would meet up at "The Rowan Tree". Always gracious, he would invite people over to his home every Summer for a July 4th celebration. I also enjoyed going to his home in the Summer months to swim in his beautiful backyard pool. God bless you my friend, and one day we will see each other again!
