“ *Charles took me on my first driving lesson back 1967. He had white knuckles the whole time but he was patient and sweet. He did not, however, offer to take me out a second time! Louanne Hull*

“ *Charles was the “big brother” that I didn’t have. He and Dee were part of my life, pretty much, for my entire life. They were Aunt DeeDee and Uncle Charles to my children and grandchildren. They displayed “Unconditional” Love, always. I cherish the time that I had with him last summer, and will love and miss him always. Emily Fleming*
