“ Words cannot express the deep sorrow I feel after learning of Scott's passing. Scott did work for my employer for a long time and we became friends. My last communication from him was a text he sent to send condolences to me after my husband passed away in September. My thoughts and prayers are with his family, whom I never had the pleasure of meeting. May God watch over all of you and guide you through and comfort you during this time of mourning.

“ Michele, Ella, and Gracie: My prayers are with you today as I have found out you had such a devastating loss. Scott was my best friend and work partner. I met Scott the day Ella was born, so many years ago. I never thought he would no longer be with us.

“ Scott was a humble and kind person. He did work at my house. You didn't even know he was there. I called him the silent assassin he would be in and out before you know it. My wife and I will miss his presence. May God comfort your family during this time of mourning. God Bless You, Fredric and Beverly Howze
