“ Chuck was our neighbor for 20 years. You couldn't know a nicer guy. He watched us raise our kids and always looked out for them and helped us out of many pinches in our busy lives. We will miss him dearly. We still keep looking to see him in his garage or yard.

“ Chuck always had nice cars and took great care of them. In the 70s he had Chevy Corvettes and I was a teenager that also loved cars. One time I was really admiring his Vette and he asked me if I wanted a ride in it. He took me for a ride around the block and it was the thrill of my young life!
