“ Prayers for the families loss of this amazing woman. Although I only met her a few times she always had a kind word for me. Her generous loving heart was apparent in her everyday actions.

“ Every day I think of Cheryl and just can't believe she is not here to call and talk to or ever be able to see again. It makes me look forward to the day that I will be able to see her again. The things that go through my mind are of us as kids growing up. Like sitting at the top of are steps on Christmas morning and trying to peek at the presents under the tree waiting for our parents to say it's time to come down. 😊 being afraid of the dark I would seek in her room at night and sleep at the bottom of her bed. 😬 Always looking up to her as my older sister. Just like she was all her life, she was the same as a teenager. Outgoing, popular and the life of the party. As we grew older and had families we spent a lot of time together. A lot of fun times. Parties, boating, going on vacations and just spending time at home enjoying our families. Her children and our children growing up together. Life was so good!
Cheryl we will miss you. There is a hole in all our hearts. Good news is.....God says we will see and kiss you again. 🙏❤️

“ Cheryl will always and forever be in my heart. She was my oldest and dearest friend. So many memories and times we laughed until we couldn't hardly stand up any longer. These memories will stay with me from now until my time draws near. God took you from us so quickly. I guess He felt He needed to up there with him more than we needed you down here with us. I know that Cheryl is happy as she and Michael wait for the rest of us to join them. God bless you and keep you honey until I see you again. Love, Mary.

I did not know Cheryl but only for a few short months, as I met her during vacation. I found her to be very down to earth and kind. We had a nice evening chatting and laughing. I regret that I will not get another chance to do that.
