In Loving Memory of
Colleen Joyce LeMaire
11/10/1961 - 5/15/2025

Colleen Joyce LeMaire was a devoted mother, cherished wife and loyal friend. On May 15 heaven gained an angel. as she was called home.

Colleen had a soul as warm as the sun and a love for the beach. Yet even the shorelines she adored could not compare to the love she had for her family. Her joy was found in moments spent laughing with her children and watching her grandchildren grow.

Colleen is survived by her loving husband Chris, her son James and his wife Nicole, daughter Jessica and longtime partner Stewart, daughter Krislyn. Her legacy continues to live on through her five beloved grandchildren, Carter (15), Zach (13), Izabella (10), Zyriah (7), and baby Anakin (1) each of whom brought her joy.

She will be deeply missed and forever remembered.

As per her wishes, only a small gathering will be held to celebrate her life on June 14, 2025. For more information, please reach out to
