“ *It has been an honor to have been with Connie for over 50 years. As teenagers we were able to share experiences working together for a contractor with the Baltimore Gas and Electric Company and then hanging together after work. Enlistment into the Army during the Vietnam War, Marriage, and working in different vocations kept us involved in our young families. But we stayed in contact and our friendship is and was strong. Barbara and I miss Conrad very much. We spent a lifetime together as friends and it's hard to accept that he is gone. Connie was the finest and best friend one could ever hope to have. “ May you have comfort in the memories of your loved one. (2 Corinthians 1:3, 4) The Bible gives a real hope of being reunited again with your loved one. It promises that your loved one will soon come back to life in the resurrection to a peaceful paradise on the earth. (John 5:28, 29) Sincerely, S. Ellis
