

Daniel Michael Hanke

July 18, 1959 - March 26, 2022

On March 26, 2022, Daniel Hanke went home to be with his beloved wife, Barbara. He was a loving father to Jessica Kahl and her husband, Colan. Cherished brother to Rose, Susie, Donna, Barbara, Sam, Alan and, although no longer with us, William (Bill).

Daniel was a fierce animal lover and took care of many animals in his life. He also loved history and collecting coins, pocket watches and clocks. In his life, he traveled all over this country and had a story to tell for each state he visited.

He was loved more than he knew, and he will be missed.

Rest in Peace, dad. I love you - Jessica Kahl
