“ I see Danny's legacy everyday, in his son. Brenten is a fine young man with a great personality, charm, a great sense of humor, musical talent, and he is fun to be with too, just like his father. Brenten has made an impact on many people's lives through his music ministry and performances and in many ways this would not have been possible without gifts he inherited from Danny. I am forever grateful that I knew him. I have some wonderful memories. Danny will always have a very special place in my heart. I am saddened by the loss, but know he is in a better place.
