“ I have alot of memories. \nToo many to share being grown up next to you\nBut one memory I will always have is you being there for Me. \nYou were blunt,opinionated,hard headed but you had a big heart. You were funny too. \nI remember when I was little you were pushing with a BB gun and shot Me in between my leg 🤪 I remember the homemade go-kart thing in the alley and you making sure Becky and baby Me got in safe. \nI remember you showing how brave you were and jumping on the thing we made in the cellar. You broke your arm or sprained it. But you had to show everyone you were not afraid. You were gonna do it! :) \nWe have home videos of birthdays parties and you knocking on the front door to come back in...not even 10 years old. \nLife is never fair. But I am glad you're not in pain anymore. \nPlease watch over your Mom,Dad,Jer and you're family and mine(the ones with true love in their hearts(you know what I mean)\n\n ❤️❤️R.I.P ❤️❤️

“ I'll forever miss your smile, calls, text or simply just hearing your voice. I hope you're giving heaven some hell (which I know you are). I'll continue to make you proud. You'll never be forgotten. I love you forever and a day. Love your baby girl.

“ My Dearest Daniel James,\r\n You were my best friend, my rock, and my soul mate. You gave me some of the best years of my life. We had a beautiful son together and I shared my son, your step son with you. One blind date led to 7 years of some ups and downs, and 5 years of friendship, one of the best. I will forever cherish those years we spent together. I know you are no longer in pain, so may you now rest in peace, my guardian Angel. I will love you ALWAYS!\r\nLOVE ALWAYS, \r\nBrielle Rae

“ Growing up at Grandma's house on Eastern ave. I know we all had different parents Schaefer , McNeil, Miceli, D'Alesandro, Spears, Shimanek, Rickels but we all grew up close like brothers and sisters. We all fought together and we had fun together. Daniel I know we all love you and you will be missed. \nI got to see Daniel aka DJ a couple of days before he past . I got the biggest smile out of him when I started talking about how he used to torment me with my stuffed monkey 😊 . I have so many memories with DJ I love you and I will see you when I get there.
