“ *I have known Darrell since middle school. In a sense he was like a big brother. I've always enjoyed his tenacity for life and his humor. Always had a positive /humors thing to say in a matter of fact way no matter the situation. He was always just a phone call away even if we hadn't talked in quite awhile. He is deeply missed by many and will never be forgotten. My thoughts go out to Jason who I believe was Darrell's everything as I know Darrell was Jason's.*
