“ David loved to talk ,laugh and joke with everyone he met. His deep affection, and love helped me through the most difficult time of my life. I loved him more than words can express. Memories of David will forever and always be apart of me

“ I knew Daid for only a short while. But when we first met, we became fast friends. David could always bring a smile to my face or a laugh out me. He had quick wit & was always telling a joke or saying something funny. That was just the kind of person he was. Even though he was in pain most of the time, he tried so hard not to let it get him down or the people around him. I will Miss him so much. David, I Pray U are with The Lord & that Ur walking down the streets of gold on Ur two healthy legs. Because there's no pain in Heaven, & I hope to see U again one day. Ur Friend Always, Sherry

“ I loved David very much. Not a day goes by that I don't miss him terribly. He is no longer with us, but my memories of him will forever be a part of me. He was compassionate, kind and had a great sense of humor. Life was not easy for David because of many medical issues. David was the strongest and most resilient person I have ever known. He never gave up. And despite his obstacles he loved life and he loved people.

“ I'll always have wonderful memories of David. He had a huge heart that felt deeply and passionately. He was a good person and was always striving to be a better one. His personality was big as he was, but I always called him my Gentle Giant. His star will always shine because we will always remember him. I loved him very much. He will always be in my heart.
