

David Marshall Stewart, Jr.

September 17, 1960 - June 25, 2022

David “Fred” Marshall Stewart, Jr., 61, of Baltimore, went to be with the Lord after a long health battle on June 25, 2022. Fred was greeted at the gates of heaven by his beloved mother, Florence “Cindy” Hitt and her husband Lester, and his father David “Sonny” Stewart. David was born on September 17, 1960 in Martinsburg, WV. Freddie is survived by his wife Despina “Debbie”; his three children, Carson, Victoria (Josh), and Tabitha; cherished grandchildren Abigail and Grayson; and sisters Tina Sachs (Jim), and Selina Merrill (Chris). He is also survived by many nephews, nieces, cousins, family and friends.

He will be deeply missed by all that knew him. His family finds comfort in knowing he is no longer suffering and at peace. Per his final wishes, there will be no service at this time, but his ashes will be taken to his favorite fishing spot, so he will be forever fishing in heaven.

“For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.” ~

John 3:16

“ *Deb, Victoria we're so very sorry to hear of Dave's passing Fred as I knew him. I haven't seen Fred in a few years but I'll never forget the times Fred would show up with 6 beers back in the 90's and we'd sit in our yard on Redfern Ave. Love you buddy see you on the other side.* ”

“ So very sorry for the loss of Freddie. Lots of good memories of him when I was a little guy. I thought he was the coolest, toughest dude around lol. I'm sure Aunt Cindy was waiting for him and welcomed him home.

“ Dad, there will not be a day I don't miss you and think about you. Thank you for everything you've taught me in life, like making the best cream chipped beef, how to hammer a nail and hang a picture, how to drive, reminding me that Jesus loves me, to learn something new everyday, and to stick up for what I believe in. I know you will be fishing in heaven, watching the ravens games, and living your best life up there, like you did before you got sick. I ask that you watch over all of us here that are still earth-side. Abby loves her pop pop, she said you came to see her in her dream. I promise she will always know who you are and just how loved she was by you. Till we meet again daddy, I love you. Love, Bug

“ I remember him being the person that no matter who you were if you needed help he was there, he’d give you the shirt off his back the last penny in his pocket! We’ve grown a lot closer these last few years, we talked about a lot of things! I enjoyed our bible study talks he actually knew quit a lot 🙏 He especially loved reminiscing about the past with me. He loved watching the ravens and the orioles play ball with his son. He loved all of his family, When we were together he would always asked how his nephews and they’re wives and kids were doing. He loved talking to me about his kids (always proud) especially his grandchildren I know they meant everything to him, his face would light right up! I am so thankful I was able to spend these last few years with him and I know he was too ❤️ The day will come when we will all be together but until then Fred I love you and will miss you always ❤️ 🙏

“ I think my favorite memory is watching how happy you were when you got to see your grandson. Everytime I would try to correct him, you would yell at me lol, he could do no wrong when he was with you. You will be missed, Grayson and I love you very much Dad.
