“ *My prayers go out to all in this time of grief. No one made me laugh as much as Davey did. I will cherish those times at Pymatuning as well as Baltimore and Pittsburgh as kids and then adults. Dave truly had a way of bringing out the carefree, happy vibe in us all. I'm sad those times are no more but comforted knowing Dave is resting peacefully. If Heaven is what I hope it is, there is a whole lot of laughter and yes, good food*❤️❤️❤️

“ My husband always knew how to make me laugh as well as everyone around. We never went anywhere without someone coming up to say hello to Dave. I will miss you my dear husband, my best friend, my soulmate. Twice a year we would travel to Ocean City for the cruising events, playing skeeball, roasting bacon and marshmallows, fishing at our secret bass pond where you always caught a nice bass. I will never forget your excitement at reeling in a nice catch, picking ticks off. Your determination to making life easy going and lovable, always inspired me. I will miss each moment and hold your memory close to my heart. I love you so very much.

“ My brother~it’s not easy losing a sibling. My heart breaks knowing that I won’t be able to see or talk to you anymore. I’ll miss you calling me ninny. I have to believe that you are at peace, enjoying every beauty this world has to offer. I love you and I’ll miss you forever! Cindy

“ There are too many I could share. He loved his family and provided endless laughter. We always knew if uncle Dave was coming to a family get together that we would need to make PLENTY of food since he was our family garbage disposal (which may be where I get some of that from). He brought my sister and I together with his stepdaughter and I will always remember when he took us 3 to a convenience store and told us to pick out a bunch of junk food for us all to eat when we got back home. There was the “uncle Dave face” that we all knew and would make us laugh and I wish o had a picture to share of it. I love and miss him so much and wish him peace in heaven.
