“ *Dear Cindy and Family - I am so very sorry to hear of David's passing, and sorry to be 'late' with my condolences. I just heard the news from another former colleague. I was a colleague of David's at 3M, while he worked in our St. Paul 'Innovation Center.' I always - and in ALL ways! - greatly admired his style, and to be honest, TOTALLY looked up to him as the quintessential 3M brand steward and ambassador. \n\n In fact, David and I frequently worked out in the same gym (at 3M) together, and one day he told me how he liked the type of hats I wore - typically a fedora style. In turn, I told him that - with his impeccable ties (which I ALSO love!) - HE should have one, too ... and the next day, BROUGHT him one of mine! I remember it clearly - a brown Eddie Bauer fedora, which looked GREAT on him! I can STILL see his smile when he put it on! I hope he continued to enjoy it into retirement! That would mean the world to me. :) \n\n I pray that time has been a great healer for you, and that you have felt the presence of our Good Lord, in the love of the hundreds - I am sure! - of those who knew and loved David, as I know he was dearly loved by so very many here at 3M. May God bless you ALways, and in ALL ways, as David - and his memory - was and is a blessing to so many. \n\n Most sincerely, \n\n Dale Bohnert \n\n River Falls, WI*
