“ I really don't know where to start. I have so many memories. I practically lived at your house on the weekends in SD. We went 3 wheeling in the desert and had to stop at Kmart to get bathing suits for me and Melissa. Matching suits. Swimming in the pool. Laughing, getting advice when needed. Spending a month with all of you in MD when I was still in high school and you all moved away. I'm so thankful to call you Aunt Debbie. I'm thankful that I had you and my cousins in my life. Thank goodness we got to say our goodbyes and I love you's before you left this earth. You blowing me a kiss over the phone will always be special. I know you are at peace, no pain and living the life with God and all your family and mine. Love you forever and ever until we meet again.

“ *Debbie we will all miss you but know you are with God pain free and happy. We share the same birthday of 4/11 and you were born in 53 and passed away peacefully at age 69. I am 53 years old and was born in 69. There is nothing random about God’s plan. I will continue to watch over Melissa and your Family here on Earth as you watch over them from above .*
